OCEAN BEACH DAZ-O-FUN TO OPEN FRIDAY

HERE'S the POINT

By SPENCE HELD

Progress is a wonderful thing—I got a little item through the mail the other day announcing that "Cooking by radar is the latest development in the preparation of food for the restaurant industry."

Maybe that's the answer for me while my wife is in Peru. I'll open a can of beans, turn on my radar set, and relax on the couch while electronics takes over.

Blooey! Beams all over the ceiling.

Or the radar screen—I don't know. Just how do you cook by radar, anyhow?

* * *

Well, while the beans are boil.ing, I might as well let my wife write a column for me from Lima:

"We went to the ruins of Pachacamac, about 15 miles south, where the Incas had some tremendous temples, and when Pizarro came he spent part of his time there, too."

(Hi, Pizarro!)

"The Temple to the Moon, pre-Inca, was down low. They figured the moon was stronger than the sun because it sometimes came out in the daytime, while the sun never came out at night.

"The Incas built on a high hill with a tremendous view of the whole area, from the Guano islands a short way off the coast, north across a green valley, and east 'way back to the 12,000-foot mountains, and south across a very wide, very green valley."

(Me, I'll take the view from Point Loma—I'm stuck with it.)

"Their temple to the sun was on top of this high hill, and I'd love to see it restored some day. The Temple to the Moon is nearly restored now, but not open to visitors yet. It looks Egyptian.

"Down below is an area where there are many graves, some dug up—you can see parts of the baskets the bodies were put in, and the different kinds of cloth they wrapped them in, from fine linen to coarse canvas-like stuff on the outside; and bits of cotton, and many bones, and bits of pottery."

* * *

Well, Peru sounds kind of dead to me. Let's get back to Ocean Beach.

As an old anthropologist myself, I've been observing some of the live specimens on Newport Ave., and on the sandy wastes to the west.

They're wrapped in different kinds of cheesecloth, airplane silk, plastics, platex or latex—I don't know.

Whatever it is, the effect is not unpleasing to the human eye.

Old Pizarro never knew what he missed . . .

S. D.-La Jolla Outboard Race Set August 28

With several hundred entries expected, the second annual San Diego-La Jolla outboard motorboat marathon will be held Sunday, Aug.. 28, under auspices of the San Diego Outboard Boating Club.

Drivers from throughout Southern California and Arizona will pit their skill and fast boats in the 15 classes set up for the marathon. Entries are restricted to utility type hulls, family boats, and outboard cruisers with stock motors only.

Entries include William L. Wolever, of 4841 Del Mar Ave., winner of Class C in the recent Long Beach-to-Catalina race. Six trophies were won by members of the Outboard Club in that race.

The entire course will be patrolled by air and sea units of the Coast Guard.

S. D. SYMPHONY TO PRESENT FINAL PROGRAM AUGUST 23

Final program in the San Diego Symphony's summer series scheduled for 8:30 p.m. next Tuesday, Aug. 23 in Balboa Park Bowl will be a "pops" concert under the baton of guest conductor Ferde Grofe, and presenting Howard Wells as pianist.

Featured in the program will be the presentation of Grofe's new "Hudson River Suite," which was premiered only last June 25 with the National Symphony Orchestra in Washington, D. C., and has been played subsequently with the Philadelphia Orchestra, the New York Philharmonic and in the Hollywood Bowl.

Dixieland Band

The "Hudson River Suite" traces the history of the Hudson River down its length from Albany to New York, and encompasses in the score such things as a Dixieland Band on the old Hudson River Night Boat, police whistles and fire sirens.

At one point in the score dealing with the Rip Van Winkle legend, Rip whistles for his dog and the dog barks a reply; in another Rip is awakened by thunder and the Catskill dwarfs bowling after his 20-year-nap.

Thunder is easy to reproduce on tympani, but no musical instrument is capable of duplicating the sound of bowling.. Consequently, a bowler and pin boy appear in the piece.

Another attraction of the "pops" concert will be Howard Wells playing the late George Gershwin's immortal "Rhapsody in Blue," using the arrangement first made by Grofe in the early 1920's.

Other music on the August 23 program will include "Mardi Gras" from Grofe's "Mississippi Suite" as an overture, David Rose's "Holiday for Strings", the 'Hostess' from Grofe's "Aviation Slite," selections from "Show Boat" by Jerome Kern, and three movements of Grofe's famous "Grand Canyon Suite" as a finale.

Howard Wells, who will appear as guest pianist in the "Rhapsody in Blue" is a young Californian achieving international fame as a concert pianist.

WINNER—William L. Wolever, of 4841 Del Mar Ave., is being congratulated by Jackie Smithwick, Miss Outboard, for winning Class C in the recent Long Beach-to-Catalina race.. He is an entry in the Aug. 28 marathon to La Jolla and back.

Big Parade in Ocean Beach Friday

The reviewing stand will be on the north side of Newport, in front of the Western Auto Store, 5010 Newport.

Official Cars

Riding in three official cars near the head of the parade will be Vice Mayor and Mrs. Clair Burgener, Harry La Dou, president of O. B. Chamber of Commerce, and Mrs. La Dou; City Councilman and Mrs. D. D. Williams, Dr. Winton B. Oster, Fiesta chairman, and Mrs. Oster; State Sen. Fred Kraft, and County Supervisor Frank A. 'Everyman' Staged Successfully Here

"Everyman," famous morality play, was well-received by appreciative audiences Saturday and Sunday when it was presented by the University and Community Players of California Western University in the Greek Theatre on the campus.

The production was well-attended both days, although the crowd was larger on Sunday.

Carl Glick, director, said that about 75 persons actively contributed to the success of the play.

O. B. Kiwanis Club

With Howard A. Pentoney as program chairman, O. B. Kiwanis Club had a dinner and brief meeting Tuesday night and then engaged Pt. Loma Rotary Club in a softball game.

Reports from fairly reliable witnesses were that Kiwanis led until the last inning when Bill Knopp went in to pitch and Rotary blasted him for about a dozen runs.

Grand Opening

Grand opening of Bud's Cafe, 4862 Voltaire St., will be held Saturday, Aug. 20, from 8 to 10 p.m. There will be free food and refreshments. The cafe has been operated at the same address for three years under the name of Rosebud Cafe.

BOY REPAIRS DAMAGE

"I've done a very bad thing," a 10-year-old boy told Dr. Winton B. Oster, Daz-O-Fun chairman, this week.

It seems the boy had torn down nine of the plastic pennants put up by the O. B. Chamber of Commerce on Newport Ave. Dr. Oster arranged for him to do a repair job.

LITTLE LEAGUE

Kiwanis defeated De Falco's Saturday 5 to 4 in a tense and cruical ball game with the outcome in doubt until the last out.

Larry Garcia scored the first run for Kiwanis on Clyde Campbell's hit in the 4th, but Mike Woy's single drove in Garry Rucker and Tom Gable to give De Falco's a lead in the bottom of the 4th. Kent Zender, leading off in the 5th started a Kiwanis rally by beating out an infield hit, and successive hits by Bruce Kehrli, Ronnie Holmes, and Skippy Ikimura with a walk to Larry Garcia accounted for 4 runs.

De Falco's Fights Back

De Falco's fought back with 2 more runs when John Wenz and Mike Sneed scored on Larry Carlin's infield hit. In the last of the 6th De Falco's threatened again, when with Mike Woy on second and 1 out, Kent Zender robbed Ray Turner of a hit and the ball game with a fine running catch of a line drive to center field. Larry Garcia struck out the last man to end the game.

Larry Carlin and Larry Garcia pitched fine ball. John Wenz and John Sprungman were outstanding behind the plate. De Falco's defense was real tight.

Wednesday's Game

Last Wednesday De Falco defeated Rotary 14 to 1. Mike Cash and Tom Gable hit home runs for De Falco's. Mike Sneed also got 2 hits. Pat Edwards, Jim Hosick and Bob Young were hitters for Rotary. Mike Cash and Tom Gable combined pitching efforts for De Falco's victory, limiting Rotary to 3 hits.

In Saturday's second game Optimist defeated Rotary 4 to 3 in 7 innings. Rod Jones was the winning pitcher, relieving Tom Webb in the seventh. Dick Conklin got the only hit for Optimist off Mike Dolphin who retired for Lyn Kemp in seventh. Don Sweek, Lyn Kemp and Pat Edwards were Rotary hitters.

The winning run was scored on unusual circumstances when 2 runners were issued free passes to first base on catcher's interference calls and a throw to 3rd base going into left field allowing runner to score..

PL All-Stars Capture Series

Point Loma defeated Rolando 12 to 7 to win the 2-out-of-3 game series.

Tom Webb and Larry Garcia had a home run apiece and Mike Dolphin got 2, accounting for 7 runs.

Starting lineup was Mike Dolphin C, Tom Webb pitcher, Ronnie Holmes 1B, Carl Medina 2B, Mike Woy 3B, Skippy Ikimura SS, Larry Garcia LF, Larry Carlin RF, Mike Clardy CF.

Jim Bishop, Mike Cash, Pat Edwards, Jim Hosick, Calvin Classen, John Sprungman, Mike Hatcher and Rod Jones also saw action. Carl Medina acted as head coach with assistance from Dick Rucker.

Fishermen Score With Albacore

Most amazing deep sea fishing season in the nine-year history of the $25,000 San Diego Yellowtail Derby grew even more so this week as anglers rolled up big catches while closing out the third period of the derby and launching the fourth.

The third quarterly derby day fishoff was highlighted by a catch of 1602 albacore, highest in San Diego sportfishing history ,and 581 of them were taken by the 98 eligibles engaging in the finals.

Qualifying in the fourth and final derby period got off to a flying start, and Herbert Fredman, 3520 Fenelon St., took over the lead with 42 pound 12 ounce yellowtail. Fredman's fish was hooked at the La Jolla kelp beds.

Lt. Gustave Dopp, USA, 4604 Castellar, returned home on Saturday after spending two weeks in the Naval Hospital.

Nick Pattingill, son of Mr. and Mrs. Phillip N. Pattingill, 1988 Catalina Blvd., left on Monday for Los Angeles to enter the Navy.

Insurance Training Course For Women

A one-year work-study program for women who are interested in becoming insurance office assistants, will open September 13 at San Diego Junior College and Vocational School.

This training course, the only one of its kind to be offered in California, will include a year's study with part-time employment in insurance offices after a period of preliminary training. The sponsoring organizations, The Insurance Agents Association of San Diego and the Insurance Women of San Diego, have announced that efforts will be made to secure permanent employment in insurance offices for women who satisfactorily complete the training course.

Applicants must be high school graduates. Subjects included are insurance terms, writing forms and policies, correspondence, filing and record keeping, business mathematics, calculating machines, typing, English, and office etiquette.

Financial assistance through a special scholarship fund established by the insurance industry will be available to certain qualified students. Registration is now open at the School, 835 Twelfth Avenue. Textbooks, supplies and materials for the year's course will not exceed $15.

Top Junior Stars In Tennis Tourney

Southern California's top junior tennis stars are expected to be among a field of some 250 entries in the San Diego Junior Tennis Championships scheduled for Balboa Park courts on August 24-27.

The sixth annual "hospitality" netfest is being sponsored by the San Diego Junior Chamber of Commerce along with Balboa and San Diego Tennis Clubs, the Tennis Patrons, and the Park and Recreation Department.

Early entries include National Junior Public Parks Champions, Forrest Stewart, of Altadena, and Karen Hantze, of San Diego, as well as the runners'up in this recent event, Martin Schiller, San Diego, and Carole Loop, San Bernardina.. Greg Grant, San Marino, Sally Moore, Bakersfield, and Tina Rodi, Beverly Hills, are other nationally-ranked stars expected.

Competition will be in divisions for boys and girls from 18 down to 11-year age groups. The visiting youngsters will be housed and entertained.

Mr. and Mrs. Howard W. Reagan and children, Terry Lynn, Jeanne and Marcia in January moved from 4400 block on Granger to 4419 Naragansett Ave. Now they are permanently settled in their own new home, 1030 Calavera.

Pastor Accepts New Appointment

A farewell was given for Pastor and Mrs. Philip B. Knoche at the home of Dr. Winton Oster on Sunday evening, August 14.

The local Seventh-day Adventist church has been under the able leadership of Pastor Knoche since its organization in Ocean Beach in November of 1953. He is leaving this pastorate to become Conference Evangelist in the Seventh-day Adventist Tabernacle at Fontana, California, where he will be supplied with an assistant pastor and Bible worker.

The Knoches have two children, Keith, age 6, and "Kitsy" age nineteen moths.

During the fall of 1954, Elder Knoche held an extended Evangelistic campaign in the Thursday Club on Santa Barbara Ave. here at the beach. The meetings were very well attended, and during his ministry in the Ocean Beach church some twenty names have been added to the membership list.

The Knoches are both talented,musically, and have freely given their combined vocal abilities upon many occasions.

The family will be greatly missed for they have won the hearts of all who know them during their two-year appointment in this parish.

LT. JACLYN LITTLEFIELD ASSIGNED TO HOSPITAL

FT. SAM HOUSTON, TEX.—Army Nurse (1st Lt.) Jaclyn Littlefield, daughter of Mr. and Mrs. Ivory C. Littlefiedl, 4369 Saratoga ave., is now assigned at the Brooke Army Hospital here.

Lt. Littlefield, a 1952 graduate of County Hospital School of Nursing and former student at San Diego State College, was a nurse at San Bernardino County Hospital before joining the Army Nurse Corps last March.

When driving at night be sure that your rear lights are burning, advises the National Automobile Club. Blinded by the glare of oncoming headlights, drivers often find it difficult to see a car ahead unless the warning red lights are burning brightly.

Mr .and Mrs. W. J. Brewer, 4796 Muir Avenue, have returned from a wonderful vacation in the High Sierras. They caught their limit of trout, choosing Rock Creek for their location. The Brewers have spent their vacation each year in the High Sierras for many years and they are still awed at the beauty of the weather, wild flowers, lakes and snow on the mountain peaks.
